

# CYNTHIA NWANKWO

FRONT-END DEVELOPER

## Profile

Cynthia Nwankwo is a meticulous Front-End Web developer with experience who has passion for responsive website design and a firm believer in the mobile-first approach. I have worked with teams of various size and made meaningful contributions.

## Employment History

### Frontend Developer (HTML, CSS, JS, ReactJs) - Side Hustle Internship

April - May 2022

- As the team's group leader, I worked with fellow interns and led team members into building projects.
- Implemented websites, mobile applications and landing pages from concepts through deployment.
- Assessed UX and UI designs for technical feasibility.
- Collaborated with product team members to implement new features.
- Standardized all output with a new, responsive, mobile-first approach and strategy.
